*Revelations 3:20 Behold, I stand at the door, and knock: if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he with me.*

# UNSEALING THE STARS OF THE PLEIADES

**Revelation 1:10-20** I was in the Spirit on the Lord's day, and heard behind me a great voice, as of a trumpet, 11 Saying, I am Alpha and Omega, the first and the last: and, What thou seest, write in a book, and send it unto the seven churches which are in Asia; unto Ephesus, and unto Smyrna, and unto Pergamos, and unto Thyatira, and unto Sardis, and unto Philadelphia, and unto Laodicea. 12 And I turned to see the voice that spake with me. And being turned, I saw seven golden candlesticks; 13 And in the midst of the seven candlesticks one like unto the Son of man, clothed with a garment down to the foot, and girt about the paps with a golden girdle. 14 His head and his hairs were white like wool, as white as snow; and his eyes were as a flame of fire; Rev 1:15 And his feet like unto fine brass, as if they burned in a furnace; and his voice as the sound of many waters. 16 And he had in his right hand seven stars: and out of his mouth went a sharp twoedged sword: and his countenance was as the sun shineth in his strength. 17 And when I saw him, I fell at his feet as dead. And he laid his right hand upon me, saying unto me, Fear not; I am the first and the last: 18 I am he that liveth, and was dead; and, behold, I am alive for evermore, Amen; and have the keys of hell and of death. 19 Write the things which thou hast seen, and the things which are, and the things which shall be hereafter; 20 The mystery of the seven stars which thou sawest in my right hand, and the seven golden candlesticks. The seven stars are the angels of the seven churches: and the seven candlesticks which thou sawest are the seven churches.

**I AM** the True and faithful witness in the heavens who is from the beginning in God [Revelation 3:14]. **I AM** sounding the last trumpet or the sevenfold trumpet of truth to cause you to return to your place in me from the beginning of the world. I am here to restore you to your original state of truth that was in the beginning before your descent into a material world. You have descended so low and have become troubled on every side but I speak peace and mercy unto you to cause you to come back into your place of glory in me.

**I AM** come to cloth you once more in garments of light [Revelation 3:5] and to cause you to walk with boldness once more before the Father and the brethren. **I will** cause you to return back to my glorious throne where you can rule and reign with me over my creation [Revelation 3:21]. Like the stars who witness faithfully in the skies from generation to generation, so will you testify of my goodness from generations unto generations unto even nations unborn.

**I AM** the one Who holds the Seven stars in my right hand, as you hear my voice and obey me, I will cause you to return to your place among the Seven Bright distinguished stars in the heavens (THE PLEIADES). **I will** cause you to be above always, lending to peoples and nations and never borrowing. You will be head and not the tail . All will marvel when they see the power of my spirit regenerate and bring you back to the place of immortal glory and light.

### THE MYSTERIOUS PLEIADES

The Pleiades are a group of seven clustered stars in the sky that have mystified and puzzled scientists, the mystics, the spiritualists, the traditionalists and indeed men of all races and backgrounds throughout the ages. Myths and religions all have a reference to these set of seven bright stars that emit light in the dark night with distinction and glamour. All over the world they are seen and referenced by the ancients. The Greeks, the Incas, the Egyptians, the Arabs, the Indians, the African traditions and virtually all tribes on the face of this earth attach spiritual significance and importance to these stars. Some traditions and beliefs have attached some significance to the effects of the Pleiades to fertility in Farms, to good luck, to prosperity and many other things. We will discover that all these people over the ages have truly been trying to understand the secret Paths to divinity, life and wisdom; they realized inside of them that some of these natural wonders were speaking in a mysterious language which they were trying to figure out.

Searching and gathering understanding as much as they have gathered over the ages, men have not been able to ravel the mystery of these stars. A void remains in the minds of men and they realize that something is missing. There is one though who stands in the midst of the earth today with the answers, the one whose origin is from eternity. The one is the one greater that Solomon; the one who starts off from where Solomon finished. All wisdom of God is in Him even the deep things of God, because to Him is given the spirit of God without measure.

We can boldly speak about the Pleiades today because God has given us His spirit, which teaches us all things even the deepest thoughts of God. We no longer operate after the spirit of men which reveals the deep vain thoughts of men. As long as we operate with the carnal spirit of man we will never see life, but if we receive His spirit then we begin understand God's heartbeat. So in this message we will be able

to get a clear picture of what the Pleiades represent in the eyes of God. We will also get to understand their effect upon the earth.

### DESCRIPTION OF THE PLEIADES PHYSICALLY

The Seven Bright stars known as the Pleiades are actually clusters of stars that unite to give this distinctive brightness. A cluster is a combination of like units to create a more bitter and stronger unit. Individually these units function on their own the same way as their parent object but when brought together their functions combine into a stronger entity. Some examples of Clusters are seen in computer clusters where computers combine to create a bigger and more effective unit. Another example of a cluster is seen in the deadly cluster bomb in which many small units of bombs combine to form one bomb, the effect is seen in it's more deadly devastation it inflicts on territories when used. Another simple example of the cluster is seen in fruits like grapes which combine into bigger units called clusters.

So the Pleiades are actually a multitude of stars that combine into seven stars. These seven stars further combine into one logical entity called the Pleiades. No one man knows the precise number of the stars that make up the Pleiades but they are many. They are probably in the thousands, probably in the millions or in the trillions only God knows the answer because He counts and names the very stars.

**Psalms 147:4 He counts the number of the stars; he calls them all by their names.**

The distance of the Pleiades is about 440 light years from the Earth. One might ask, "what is a light year"?

To measure really long distances, scientist developed the unit called a **light year**. Light travels at 186,000 miles per second (300,000 kilometers per second). Therefore, a **light second** is 186,000 miles (300,000 kilometers). A light year is the distance that light can travel in a year, which is

$186,000 \text{ miles/second} * 60 \text{ seconds/minute} * 60 \text{ minutes/hour} * 24 \text{ hours/day} * 365 \text{ days/year} = 5,865,696,000,000 \text{ miles/year}$

A light year is **5,865,696,000,000 miles** (9,460,800,000,000 kilometers).

So the seven stars or the Pleiades which is 440 lights years away from the earth points to about  $440 * 9,460,800,000,000 = 4,162,752,000,000,000$  Kilometers. With this kind of distance it is obvious that the stars of the Pleiades are so far way from the earth, which means that no man can reach or will ever hope to reach them. All the destructive tendencies of men, their wars, their hate and many others things that affect all that is on this earth definitely has no effect on the Pleiades which are firm and stable from generation to generation for all to see.

We are not going into Physics and scientific theory here but all this information have meaning for our consummation in relation to Gods kingdom. Remember that the deep thoughts of God are clearly understood by the things that are created

**Romans 1:20 For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead; so that they are without excuse.**

### **THE STARS IN RELATION TO GOD'S GLORY**

As long as our eyes of understanding are opened and well tuned to receive from God we will always hear Him speak as we behold the creation. As we ascend into His loving hands we become aware of the fact that He is always talking about you and your inseparability from Him in love. If we fail to perceive Him speak we remain in spiritual poverty and darkness.

Stars are gases (wind) with no form or shape that burn in the atmosphere continuously; So in reality the stars can be viewed as masses of gases (wind) that continuously burn as a result of high level nuclear like reactions that cause explosions at their core. Combustion, explosions and fire out breaks are not formed only by striking Match sticks on match boxes. It is enough to have the right atmospheric conditions like pressure, gas compositions and temperatures to provoke explosions and high level energy reactions in the atmosphere. So these multitude of stars that form the Seven stars burn on and on throughout eternity, as some stars die off others are known to be born, all these are important things for us to grasp as sons of the kingdom.

God's Presence and His glory all throughout the scriptures was always viewed physically as wind, fire or clouds. When He descended on Mount Sinai to visit the Israelites, His glory was seen as Clouds, fire and wind; When the glory of God descended into the Tabernacle of Moses and into the Temple of Solomon, it was like thick clouds in appearance; It also appeared as a whirlwind and fire when Elijah was taken up; it appeared as clouds when Jesus was taken up; It appeared as a whirlwind and fire when it descended on the day of Pentecost.

One may ask, why is it so? The answer is simple, In actuality God uses these elements to describe the invisible attributes of His glory, God being incorruptible is spirit and abides in a spiritual kingdom that is seen only by discerning eyes and ears to understand. God uses all these elements to describe His immortal spiritual glory. These elements can all be likened to spiritual bodies that can not be handled with physical hands, meaning they can not be subject to the dictates of men neither are they subject to corruptibility. These are also elements that defy the laws of gravity and are always heaven bound which points to the fact that they are not subject to the laws of sin and death which draw men downwards into the grave.

If Jesus and Elijah were taken up into heaven they were actually swallowed up by clouds, winds and fire. We will discover that as we behold the glory of God we are transformed into that glory, we become born again to become like the clouds (WATER AND SPIRIT) or like the wind or like fire. As we are transformed the powers of death no more has a hold on us because we are completely freed from that shackles and elements of this world which weigh us down. Remember the way of the wise is upwards towards the Paradise of God, no more towards the grave like is seen in the rest of humanity.

**Proverbs 15:24 The way of life is above to the wise, that he may depart from hell beneath.**

Who is the wise one? It is Christ because in Him all the manifest wisdom of God dwells. We who join ourselves to Christ actually share that wisdom with Him. We share that wisdom that causes us to ascend from the lower realms of hell beneath and ascend into the place of life and Favor found only in God's Presence.

So by the very composition of the stars we see that God is making reference to His glory in the heavens.

### **REFERENCES TO THE PLEIADES IN THE BOOK OF REVELATION**

The glorious spiritual body of the Lord was revealed to John while He was on the island of Patmos. Although more detailed, the appearance in revelation was similar to that on the mount of Transfiguration in the gospel account of Jesus. Those appearances simply describe the invisible and eternal attributes of the glorious incorruptible body of Christ of which we are all part of. It is like looking in the mirror to behold ourselves exactly the Lord sees us and the way He wants each and every one of us to awaken to. The Lord was shown with seven stars in His right hand which point to the body of Seven distinctive stars known as the Pleiades that we see in the physical Sky. The Lord went on further to explain that the Seven Stars or the Pleiades are actually the Seven Angels of the Seven Churches and the seven golden lamp-stands that He stood in between were the seven Churches.

**Revelations 1:20 The mystery of the seven stars which thou sawest in my right hand, and the seven golden candlesticks. The seven stars are the angels of the seven churches: and the seven candlesticks which thou sawest are the seven churches.**

These are spiritual truths for the consumption of the body of Christ. There is no place anywhere in the sky where the Lord exists like the way He is seen in The book of Revelation. We can behold Him in this form only with spiritual eyes. John beheld Him in this form in the spirit, the other disciples also beheld Him in His glory when they ascended up the mountain with Him. This shows that only those who ascend spiritually can actually behold Him in His true spiritual glorious state. With the eyes of the spirit We can behold Him as a lamb, as one riding on a white horse with many crowns on His head or as one with a double edged sword coming out of His mouth. We can behold Him as light, as the clouds of Heaven as bread and an angel, as the Sun in it's brightness, as Papa, as Mother, as Brother, as a fruitful branch and many other things.

As we grow in the faith we get to appreciate the fact that all things created in this physical carnal realm, were created for His glory. The things seen in this carnal realm are the thoughts of God made manifest in material form. The inventions, the discoveries, the scientific theories, the animals, the geographic landscapes and every other thing seen and unseen all emit out of the heart of God. The thoughts of God are only towards manifesting His love to His Son (Christ) and that is all. The things seen in the Physical creation is like a love song or a poem to the beloved of God who is Christ. All things in heaven and on earth have been given over to the Son for His pleasure.

In **Revelation 1:20**, God refers to the Seven Stars otherwise known as the Pleiades or as the Seven Angels of the Seven Church. In the past we were told these were some form of guardian Angels that watch over the Church or seven angels

somewhere in the sky who will come out some day to punish the world and save the elect of God by sounding physical trumpets, but God is giving us understanding concerning these Angels. The Seven Angels are one with the seven Churches, which is indeed one Church and one Angel. God uses Seven to show that which is built on the foundation of truth or in other words on the foundation of light. We know that light, actually consists of seven primary colors; they are Red, Orange, Yellow, Green, Blue, Indigo, and Violet. All other colors seen in this physical world actually come forth as a mixture of these primary colors.

This seven color spectrum is seen in the rainbow.

They are also seen when light is passed through a prism.

So light is seven fold by nature and God uses the number seven to express, **perfection, lights** and **truth**. God may refer to His spirit as the seven spirits of God which in actuality is one spirit, the spirit of truth or light. So Seven Angels also speak of Angels of light, Seven Churches speak about a Church founded on truth or a people walking in the light.

## **THE SEVEN ANGELS**

### ***THE RIGHT HAND OF POWER, GLORY AND PLEASURE***

The Angel or Angels of the Churches are the Messengers or servants of God who minister the seven messages to the Churches. The Definitions of Angel in the Greek are messenger, angel, bringer of tidings, Pastor. So the Angels of the church with in reality are also part of the Church; being servants of God they receive from the Lord and minister the word to the church for its edification in the faith. This Angel or seven Angels of light are actually selfless single-minded servants of Christ who are

called to service in the house of God, the Church. They are the ones in the right hand of God [**Revelations 1:20**]; this points to those who walk in the fullness of the power and glory of God. God always uses His right hand to indicate the place of His power, His safety, His place of pleasures, glory, righteousness and blessings without confines.

**Psalms 16:11 Thou wilt shew me the path of life: in thy presence is fulness of joy; at thy right hand there are pleasures for evermore.**

**Psalms 89:13 Thou hast a mighty arm: strong is thy hand, and high is thy right hand.**

**Matthew 26:64 Jesus saith unto him, Thou hast said: nevertheless I say unto you, Hereafter shall ye see the Son of man sitting on the right hand of power, and coming in the clouds of heaven.**

In viewing the natural creation you will observe that normally the right hand of men is actually the stronger and more used hand. It is also used for more honorable things than the left hand. So is it in God's invisible kingdom, these Seven stars of God are tucked into the right hand of God's Power and glory so that no circumstance found in this world can pluck them out of the hand of the Lord.

The angels of God actually excel in strength and beauty because of the joy and goodness of the Lord which quickens them. God glorifies them by clothing them with incorruptibility so that they become spirits that can no longer be affected by the offences in this earthy realm called the world. God brings them to a place of complete and perfect victory so that they always joy and glory in the Lord; they are exalted to a place where the wicked one can not touch them anymore.

**Psalms 104:4 Who maketh his angels spirits; his ministers a flaming fire:**

The reward for those who convert themselves to be servants like unto angels of God by doing the perfect will of God is life eternal and immortality. They become like spirits or angels where they are insulated from the powers of death that reign in this dark world. Those who understand this principle of servant-hood unto the living God are exalted into a realm of complete ecstasy, Joy and absolute power; they are exalted into a realm where the accusation and the viperous tongues of men that torment and inflict death on men will no longer affect them. The religious doctrines and traditions of men that work in this carnal world to put men in chains of affliction, fear, torment and bondage unto death will no more have power over you as God glorifies you according to His good will. No man will be able to take your Joy or your authority as the Lord does His work of perfection on us.

**John 16:22-24**

**22 Therefore you now have sorrow; but I will see you again and your heart will rejoice, and your joy no one will take from you. 23 And in that day you will ask Me nothing. Most assuredly, I say to you, whatever you ask the Father in My name He will give you. 24 Until now you have asked nothing in My name. Ask, and you will receive, that your joy may be full.**

So let us stir up ourselves in the word and join ourselves unto the Lord as co-servants unto Him, by firstly subjecting our flesh bodies to the spirit of God and serving in the House of the Lord as the Lord leads us. We serve the Lord by walking

in the revelation light of God shining forth in this hour. We serve Him by occupying ourselves in the truth, walking in the truth, manifesting the truth and declaring the truth so that our brethren still groaning in the fall will behold the light, believe in the light and then be saved.

### **Isaiah 56:6-7**

**6 "Also the sons of the foreigner Who join themselves to the LORD, to serve Him, And to love the name of the LORD, to be His servants-- Everyone who keeps from defiling the Sabbath, And holds fast My covenant-- 7 Even them I will bring to My holy mountain, And make them joyful in My house of prayer.**

As we walk and fellowship in the light as He is in the light we are converted inside out to becoming sons of light. We therefore take up our places once more among the Pleiades in the Heavens far, far above all principalities and powers that rule with the fist of wickedness in this dark world. This is the only place where we all can get the healing and consolation we seek; no matter the emotional distress each and every one of us has suffered, they will all be like a dream when the Lord starts doing His work of perfection in us. All the woeful memories of child abuse, molestation, maltreatment, mockery, depression of weight conditions or the way you look will all be many light years away from us as we take our places among the stars of God.

### **MISSION OF THE SEVEN ANGELS OR THE SEVEN STARS (PLEIADES)**

The only duty and work of the Messengers or the servants of God is to sound the seven trumpets and to maintain themselves in the word of truth. The seven angels blow the seven trumpets which announce the seven messages to the Churches. The Seven messages are actually one message. it is the message of God's kingdom or God's inspired message of truth which goes forth to illuminate this dark world, thereby liberating brethren who have fallen into the pit of corruption. The angels being the seven stars of God actually illuminate the world with the light and glory of God shining from the face of the Lord.

**Revelation 8:6 And the seven angels which had the seven trumpets prepared themselves to sound.**

Notice that these angels or servants of God who sound the trumpets prepare themselves before they sound, in likewise manner those of us called to do this work have to prepare ourselves. We prepare ourselves by buffeting of flesh and putting it to death so that the life of God quickens us and works through us. Any attempt to sound this trumpet of God without a well prepared walk before God or in an unworthy manner will only give occasion to the Devil to ensnare, accuse you and therefore cast you into greater condemnation where your state becomes much worse than the former state. Paul wrote that He is careful to buffet His Flesh so that after preaching to others and liberating others by the power of the gospel He is not cast away into the outer darkness of torment and hopelessness seen in this world.

The message goes forth it restores people back to the perfection and glory of God from which all men have fallen from. As we hear the message and Harken to it, we will be translated back into the body of stars of which we were all part of in the beginning. Someone might ask were we part of the stars in the beginning. The

answer is YES; God is revealing things to us that have been hidden from the foundation of the world. This is the promise of God for the latter day Church. He has spoken through His prophets that men will see dreams and visions of things hidden from our sight in the fall. All we have to do is open our spiritual eyes to listen that that which the spirit of God is saying in this hour.

Jesus in the days of His ministry in the flesh actually acted as a messenger or an angel of the Lord. Someone might argue that angels are different from we who are sons, but I will say try to loosen your minds and never hold on to letters because they kill. One might say that Paul said that Jesus has a name above that of Angels or Angels are inferior to Jesus, but I say Paul used some of those scriptures to explain a point. As we grow in faith we will discover that those who are perfected in Christ are actually angels of God, they comprise of that invisible force and presence of God that shows men the way to salvation. Remember that we who are called, are called into a universal gathering of Angels and saints in the heavenly places with Christ Jesus. We converse with angels and walk among angels, being part of that Body that stands before the Lord continuously in service unto Him. We should know that those of us who are called to God's kingdom, manifest different faces or attributes from time to time as the Lord wills. We could manifest the kingly aspect as the Lord wills, we could also manifest the servant aspect of Christ at time when we wash the feet of saints. In God's Kingdom we are both kings and servants unto humanity; this is quite different from the concepts in this world where the king Lords it over all.

Jesus humbled Himself unto death of His Human identity and operated as a servant doing the will of God even though He was king [**Philippians 2:7-10**]. To this day He does that same service along with the other disciples who have transcended this earthly realm. Remember that angels of God execute the will of God, exactly the same way Jesus Christ executed it. They execute the word by illuminating the world with God's truth.

**Psalms 103:20-21 Bless the LORD, ye his angels, that excel in strength, that do his commandments, hearkening unto the voice of his word. 21 Bless ye the LORD, all ye his hosts; ye ministers of his, that do his pleasure.**

**John 8:29 And he that sent me is with me: the Father hath not left me alone; for I do always those things that please him.**

**John 4:34 Jesus saith unto them, My meat is to do the will of him that sent me, and to finish his work.**

**John 6:38 For I came down from heaven, not to do mine own will, but the will of him that sent me.**

As a messenger of God, Jesus was sent to preach the good tidings to a world living in the fall, in likewise manner we who hearken to the call become messengers of the Lord exactly the same way Jesus was.

**John 20:21 Then said Jesus to them again, Peace be unto you: as my Father hath sent me, even so send I you.**

## THE SEALING UP OF THE STARS OF GOD

In actuality all men are actually servants, angels or stars of God; some might argue then how come we see so much misery, sorrow and wickedness in the world today. The answer is simple; men walking in ignorance are likened to unfaithful servants cast out into outer darkness; they are also likened to angels chained and cast into dark prison cells and dungeons of corruptibility; They can also be viewed as stars that are sealed up so that the light and glory in them is hidden not just from them but from others also walking in that same ignorance.

In man's descent into flesh and blood consciousness where He is nourished with the spirit of this world which is indeed the knowledge of good and evil that walks hand in hand with this carnal seen realm, man's true glory in God is sealed up. All the knowledge of the true and living God and our true relation and inheritance in Him is lost and man discovers Himself in the anguish and torment of outer darkness which is indeed the world.

### **Job 9:7-13**

**7 He commands the sun, and it does not rise; He seals off the stars;**

In this place, the darkness is so thick so that men feel a complete annihilation from God. There are various categories to this truth, the first category goes to all of mankind who have unconsciously lost a knowledge of the living God and their inseparability with Him in love. The second category is for those who hear the gospel and get illuminated with it only to handle it unworthily by not keeping themselves in the truth; they are cast down into slippery place as a result of condemnation that wells up from within. We should remember that God does not judge any man, it is our conscience that will violently cast you down.

In the realm of outer darkness men walk like blind and insane men not knowing who they are and where they are going. It is very pathetic when you behold with the eyes of the spirit all the unnecessary pains that men go through because of their ignorance of their true identities. Nebuchadnezzar is an example of those who fall from grace into insaneness and therefore live a life void of understanding like beasts. It is painful to behold kings and sons of God groping in darkness not knowing whom they really are.

**Job 12:24-25 He takes away the wisdom of the rulers of the earth, and sends them wandering in a waste where there is no way. They go feeling about in the dark without light, wandering without help like those overcome with wine.**

Men walking without a conscious knowledge of their true identities as sons of God are actually in darkness; they are influenced by the spirit of the false age which is likened to strong drink. They lose all consciousness of their power and victory in God; they lose consciousness of their glorious identity hidden on the inside of them. It is like the impeccable and immortal glory of the living God hidden under the thick coverings of the Tabernacle of God [**READ THE LIGHT BODY HIDDEN IN SKINS**]; or the burning splinters in the clay jars of Gideon's Army of 300 [**READ THE MAN IN THE CLAY JAR**]; or the pearl of great price hidden in the earth or the glory of God Hidden in earthen vessels. That precious thing which men are ignorant of is the mystery of the impeccable glory of God or the kingdom of God within each and every man walking on the face of the earth, that has been hidden from their sight in their descent.

Remember when Jesus spoke to the scribes and Pharisees, he told them the kingdom is within each and every one of them not just His Disciples. Not all ever awake to this reality in the days of their flesh.

**Luke 17:20 And when he was demanded of the Pharisees, when the kingdom of God should come, he answered them and said, The kingdom of God cometh not with observation: 21 Neither shall they say, Lo here! or, lo there! for, behold, the kingdom of God is within you.**

There would be no pain not anguish nor sense of poverty, if all men realized that within themselves they have all that will ever need to sustain them in perfect victory.

### UNSEALING THE STARS OF GOD

The work of the gospel of Christ is to cause the stars to Shine again; God does this by unsealing the stars so that they can shine again. He unseals the stars and turns the darkness and shadow of death into the morning by unveiling our minds with the power of His truth.

#### **Amos 5:8-9**

**8 He made the Pleiades and Orion; He turns the shadow of death into morning And makes the day dark as night; He calls for the waters of the sea And pours them out on the face of the earth; The LORD is His name. 9 He rains ruin upon the strong, So that fury comes upon the fortress.**

By the power of His spirit he gathers us back from among the dead and He binds each and every one of us back into the cluster of the Pleiades. All we have to do is yield to His spirit as He does His work of perfection.

#### **Job 38:31-33**

**31 "Can you bind the cluster of the Pleiades, Or loose the belt of Orion?"**

The call to return back to the place of the Pleiades is explicitly mentioned in the first and Fifth trumpets

### ***THE FIRST TRUMPET (RETURN TO YOUR FIRST LOVE)***

**Revelations 2:1-7 Unto the angel of the church of Ephesus write; These things saith he that holdeth the seven stars in his right hand, who walketh in the midst of the seven golden candlesticks; 2 I know thy works, and thy labour, and thy patience, and how thou canst not bear them which are evil: and thou hast tried them which say they are apostles, and are not, and hast found them liars: 3 And hast borne, and hast patience, and for my name's sake hast laboured, and hast not fainted. 4 Nevertheless I have somewhat against thee, because thou hast left thy first love. 5 Remember therefore from whence thou art fallen, and repent, and do the first works; or else I will come unto thee quickly, and will remove thy candlestick out of his place, except thou repent. :6 But this thou hast, that thou hatest the deeds of the Nicolaitans, which I**

**also hate. 7 He that hath an ear, let him hear what the Spirit saith unto the churches; To him that overcometh will I give to eat of the tree of life, which is in the midst of the paradise of God.**

Each of the messages to the church of God, starts off with reminding us of a certain aspect of our true image in Christ. The spirit sorts of places a mirror before us to behold a certain attribute of ourselves that we ought to maintain and make adjustments to return to. We should bear in mind that those seven messages are simply calling us back to our true image and identity in Christ.

The first message reminds us of our place among the seven stars of God [The Pleiades] in God's right hand of power, glory and pleasure. It also reminds us of our place among the golden lamp-stands where we are continually illuminated with the light of life.

The first message actually admonishes us to remember how we have fallen the heights of glory and power in God into becoming mere mortal beings; It reminds us of how like falling stars we have left our place of glory and power in God in the heavens. The message reminds us of our oneness in love with our God and our Father and admonishes us to repent and return back to the way we were in the beginning when we ruled over all the works of God.

In the fall the pure knowledge of the love of God has been obscured by the elements of this world which have become like idols unto us, but the time has come to forsake all and be united with God.

If we fail to hearken to this message we are cast out into outer darkness, a place of unbelief, a place of anguish of soul because we are cut off from the source of our life; in outer darkness corruption and death reigns. The candlestick or the lamp-stand can not emit light if it is cut off from it's stem, in likewise manner we can do nothing if we are not connected to the living God.

If we hearken we will rediscover ourselves back among the Pleiades of God, firm in the right hand of God, the place of the Paradise of God and the place of eternal life. In this place Immortality becomes ours and joy in the Holy Ghost is ours

**Psalms 16:10-11 10 For thou wilt not leave my soul in hell; neither wilt thou suffer thine Holy One to see corruption. 11 Thou wilt shew me the path of life: in thy presence is fullness of joy; at thy right hand there are pleasures for evermore.**

### ***THE FIFTH TRUMPET (CALL TO SPIRITUAL WATCHFULNESS)***

**Revelation 3:1-6 1 "And to the angel of the church in Sardis write, 'These things says He who has the seven Spirits of God and the seven stars: "I know your works, that you have a name that you are alive, but you are dead. 2 Be watchful, and strengthen the things which remain, that are ready to die, for I have not found your works perfect before God. 3 Remember therefore how you have received and heard; hold fast and repent. Therefore if you will not watch, I will come upon you as a thief, and you will not know what hour I will**

**come upon you. 4 You have a few names even in Sardis who have not defiled their garments; and they shall walk with Me in white, for they are worthy. 5 He who overcomes shall be clothed in white garments, and I will not blot out his name from the Book of Life; but I will confess his name before My Father and before His angels. 6 He who has an ear, let him hear what the Spirit says to the churches."** '

The fifth message reminds us of our place among the seven stars of God [The Pleiades]; it also reminds us of the wisdom and the mind of God which are the seven spirits or the spirit of truth with which we operated in the beginning.

The fifth message admonishes us to arise from among the dead by once more receiving the spirit of God and living by that spirit.

If we hearken to this message we are once more clothed in white garments which are indeed garments of light. The root word for white in the Greek is Leukos which means light. The light garment is the garment of truth and glory that humanity has lost and continuously loses in it's Adam-like consciousness; it is the righteousness of the saints in Christ Jesus. It can also be viewed and awareness of our true spiritual Bodies created perfect and Holy unto God. No man can boldly stand before God without these garments which actually covers the false carnal and beastly tendencies of man by causing us to have our being buried in the knowledge of Christ.

When we reject the counsel of God's spirit by partaking of the spirit of this world we only receive the lie unto death. With the spirit of this world our eyes of understanding are darkened because the mind is set on the vain imaginations of men which only lead men through the slippery tortuous path unto death. When Adam was created He was clothed in garments of light until He received of the knowledge of good and evil which is the wisdom of this age called the world.

That thing which distinguished Adam from any other creatures was the breath of God in Him. That breath of God is the spirit of God which is also the seven spirits of God that actually caused Adam to transcend the flesh and blood consciousness and death; being dust He laid dead in the grave until He received of the breath of God which brought Him out of the miry clay into God's Paradise (Eden). Adam being quickened and found alive in God's presence was clothed in a light body consciousness until He received of the spirit of this world which is the knowledge of good and evil. Adam lost that life of God that caused Him to walk before God with boldness and to ask and received all that He desired. The result is Adam being cast out of God's presence because of a flesh and blood consciousness that He put on, a consciousness that breeds condemnation from within; Adam being a transgressor returned to the dust out of which He was taken out.

In the grave among the dead, men live in relation to idols from false images projected by the carnal mind, all awareness of the living God, His Omnipresence and His Omnipotence is lost. Men walk on in the vanity of their minds far away from the life and love of God.

**Ephesians 4:17 This I say therefore, and testify in the Lord, that ye henceforth walk not as other Gentiles walk, in the vanity of their mind, Eph 4:18 Having the understanding darkened, being alienated from the life of God through the ignorance that is in them, because of the blindness of their heart:**

**Roman 1:21 Because that, when they knew God, they glorified him not as God,**

**neither were thankful; but became vain in their imaginations, and their foolish heart was darkened.**

Any imagination that does not reveal God's invisible attributes of His love and His kingdom is vain. All those things that we have highly esteemed in this material world above the true and living God are but vain imaginations of men which form idols in our minds. The concepts of tradition, the concepts of religion and the traditions of men that we see in human structures like Churches, family, government, unions and all other forms that try to hide us from God's true invisible kingdom are nothing but lies.

All we have to do is open our spiritual eyes and ears once again and begin to see and hear what the spirit is saying. In doing so we receive of the mind of God and are regenerated back into His very image and glory [Or we rediscover our true selves as the very image of God]. The wisdom which the spirit of God illuminates us with is wisdom that the world can not receive, neither can they understand it. As we receive it we speak a new tongue and sing a new song which no man can understand except it is given to them from above. In fact the time comes when people even wonder if you are not missing it, but it is to be expected because the deep things of God are foolishness to man. The spirit of God starts off by enlightening our eyes and causes us to become consciously aware of the invisible God and His kingdom. The spirit unveils our minds and eyes of understanding so that we can once more be consciously aware of the love of God, His Omnipotent and His Omnipresent attributes which we all lost in the fall.

**1 Corinthians 2:10-15 The Spirit searches all things, even the deep things of God. 11 For who among men knows the thoughts of a man except the man's spirit within him? In the same way no one knows the thoughts of God except the Spirit of God. 12 We have not received the spirit of the world but the Spirit who is from God, that we may understand what God has freely given us. 13 This is what we speak, not in words taught us by human wisdom but in words taught by the Spirit, expressing spiritual truths in spiritual words. 14 The man without the Spirit does not accept the things that come from the Spirit of God, for they are foolishness to him, and he cannot understand them, because they are spiritually discerned.**

**Watch and pray** was a phrase Jesus normally used with His disciples. Jesus never intended to say we should hold night vigils and utter audible prayers all night like we see churches and fellowships do, that is nothing but vain religion. I am not saying there is anything wrong with staying up all night meditating and fellowshiping with God but we have to know what we are doing. What He meant is that we should always be alert in the spirit. Which means we should maintain our thoughts in the thoughts of God as revealed by the spirit of God; We should continuously see the Lord at our right hand by the spirit of God. We should always see all things with the single eyes of the spirit so that we can continuously ascend, if we do not watch and therefore go back to sleep, it will only give occasion for Satanic influence to cast you back into the miry clay of death. Coming out of the mess that you will eventually find yourself in is no easy task; some go on in that state of condemnation for many years before they realize that God's loving arms are still open for them. That is why Jesus says you will not get out of there until you pay the last dime.

### ***ASCENDING BACK TO OUR PLACE AMONG THE PLEIADES***

As we hearken to voice of God to return back to our place among the Pleiades, we once more rule over the creation like God ordained on the prophetic fifth day of creation. Far above this dark world we are secured once more in the right hand of God, so that no evil can touch you. No more will your emotions be tampered with by circumstances of this world, they will be light years away from each and every one of us. Isn't it the promise of God to set us up on high far away from the terrors and destruction ravaging this world?

**Psalms 91:14 Because he hath set his love upon me, therefore will I deliver him: I will set him on high, because he hath known my name.**

The fifth day when the Stars were created, corresponds to the Fifth furniture in the tabernacle which was the golden altar of incense which points to watching and praying after being enlightened by seven branches lighted up with seven flames on the fourth furniture called the lamp-stand, it also corresponds to the fifth message to the churches which gives the awakening call.

<b>Fifth Message (Fifth Trumpet)</b>	<b>Fifth Furniture of the Tabernacle (The Golden Altar of Incense)</b>	<b>Creation of the Pleiades (Fifth day)</b>
<b>Recieve the Seven Spirits</b>	<b>Watching in the Spirit</b>	<b>Creation of the seven Stars</b>
		

The Fifth message like we saw earlier on, tells us to put on the mind of Christ by receiving illumination from the Holy spirit. It is a call to awareness of the living God.

The golden altar of incense points to watchfulness and prayers. To get to this place we must have pasted the fourth major furniture called the golden lamp-stand otherwise known as the seven golden candle sticks which is found in the Tabernacle or the Temple of God and points also to the illumination from the Seven Spirits of God while we Abide in the word.

**PICTURE OF THE GOLDEN LAMPSTAND**

We watch and pray by girding the lions of the mind into alertness in the seven spirits of God. As we do this we become come and more consciously aware that the veil that separated all men from God's presence is no more there. As we watch and pray in the spirit, our souls kind of flood into the ark of God which is found in the Holies of Holies a place constantly lighted up by the glory of God; we flow out of the realm of outer darkness into the marvelous light of the living God. It is like the dawning of the morning stars in our hearts where all darkness in the hearts of men fades away.

**2Peter 1:19 We have also a more sure word of prophecy; whereunto ye do well that ye take heed, as unto a light that shineth in a dark place, until the day dawn, and the day star arise in your hearts:**

[read more on the golden alter of incense and the golden lamp-stand and it's significance in **Chapters 9 & 10** of the online book [THE 3 PHASE EVOLUTION OF GOD'S TEMPLE](#)].

The result of the illuminating of our minds as we put on the mind of Christ is our return back among the Stars of God ruling and reigning in Christ. Which is exactly the work of the fifth day.

**Genesis 1:15-18**

**16 Then God made two great lights: the greater light to rule the day, and the lesser light to rule the night. He made the stars also. 17 God set them in the firmament of the heavens to give light on the earth, 18 and to rule over the day and over the night, and to divide the light from the darkness.**

God never changes, that work He did on the fifth day when He created the Pleiades is being done prophetically on we who hear the message God's kingdom and believe. On the fifth day the veil and covering that has hidden our true identities as glorious stars of God is done away with so that we can once more sing the song of joy exactly the same way the morning stars sang in the dawn of creation.

We are the light of the word, we are born to rule over the works of God's hand and to illuminate the world with the light of the knowledge of the living God. All we have to do is come to our senses from among the graveyard of humanity by applying the hidden wisdom from the seven spirits of God to our lives. While applying it we

consciously awaken from the among the Dead and reign among the Pleiades in the heavens.

**Daniel 12:2-3 And many of them that sleep in the dust of the earth shall awake, some to everlasting life, and some to shame and everlasting contempt. 3 And they that be wise shall shine as the brightness of the firmament; and they that turn many to righteousness as the stars for ever and ever.**

Brethren the moment is now; ARISE AND TAKE YOUR PLACE AMONG THE DISTINGUISHED SEVEN STARS IN THE HEAVENS,

May the Lord bless and keep you.

Trevor Eghagha
