Revelations 3:20 Behold, I stand at the door, and knock: if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he with me.

SEEKING THE BURNING BUSH

That eternal burning flame brought to our awareness through the coming of our Lord Jesus Christ is the source which illuminates every single soul which has descended into this world. This means that we are all actually of the same substance with that flame. That flame is in our midst today and constantly seeks to reach out to men languishing in death through ignorance so that they may once more live in the fullness of the life and favor of God. The eternal flame does this by causing men to recognize their substance and origin in Him; He comes like fuel to revive the dimming flame in men so that they can once more live in the full benefit of God's kingdom.

The Apostle John wrote that in Him is the life (FLAME) of men, He came into this world, but He was not received by the world and is still not received unto this day. The world fails to recognize this presence because it is blinded by the elements of this material age; the god of this world working through the carnal senses of men blinds men from recognizing the eternal invisible burning presence and our part in Him.

John 1:4 In him was life; and the life was the light of men.

John 1:9-12 That was the true Light, which lighteth every man that cometh into the world. 10 He was in the world, and the world was made by him, and the world knew him not. 11 He came unto his own, and his own received him not. 12 But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name:

All things created both visible and invisible originates from this light, He is before all and above all. Man is under the wrath of God and is distressed on all sides because He has distanced Himself from the eternal flame, some unconsciously though. The conscious knowledge of the source of His life in that eternal burning flame is continuously darkened so that a new consciousness or awareness called the world is formed. Outer darkness is that world that men formulate when they go away from their origin in that eternal burning flame of God. In this state the little light that man has, infinitely darkens so that man's condition goes from bad to worse, causing them to howl upon their beds in pain. The irritations, weaknesses, sicknesses, fears and torments that men suffer is simple because of their straying away from the knowledge of their true identity in light. So we can define the wrath of God as simply the consequence of straying away from our origin in light. God does not ever come down seeking to curse people, people fall into the curse simply by walking in ignorance of their origin and part in God's light. We who are called are called to once more partake in the true knowledge of that light.

There is a voice out hear today calling on men to recognize their true origin and in so doing arise from their beds in Hell. Arising from their beds in Hell causes us to stand in the consciousness of the eternal one. The gospel is that voice calling people out from darkness (Lack of knowledge of our true form and origin) into the light. That voice does not call people into the bondages of religion once more, but it liberates them into the eternal everlasting hills of God. We should never fear the contradiction of men when they come out to resist the work of liberation that God is working in us. We should be always firm in God and in the truth because corruption will feed sweetly on those who stand against the truth. They day will come when you will look for them and not find them anymore this is the will of God for our lives.

THE FAVOR OF GOD

There is an eternal favor that men have lost in their descent from their original spiritual flaming identity into a beastly identity. That favor is the package that comes hand in hand with the eternal life which the bible talks about. It is the unlimited spiritual blessings that Man was blessed with in the beginning when God created man. It is the blessing and inheritance of the saints in light. The eternal favor and blessing rest with Him that is in the image of the invisible God and it knows no bounds spiritually, because it has pleased the Father to give every thing into His hand.

Paul says God has given us all things richly to enjoy, these are not riches as is known by men in this world but they are spiritual riches in the knowledge of God. The mistake men in their ignorance make even in the religious sphere is that they interpret riches of God's kingdom to be earthly material riches that can be handled or processed. What men do not realize is that they cannot take anything out of this world, neither can they possess or control the flow of the material things

of this material world. The deceit of the wisdom of this world is that it causes men to want to acquire material riches or gain this whole world at the expense of their knowledge of God. They only wind up in sorrow and destruction because they loss a knowledge of their true flaming nature [1TIMOTHY 6:6-16].

TO POSSES EARTHLY GOODS YOU HAVE TO BE FLESH AND BLOOD IN OTHER WORDS YOU MUST CONFORM TO AN EARTHLY NATURE THEREFORE LOSING YOUR SPIRITUAL STATE. SPIRITS OR HEAVENLY CREATURES AFTER THE IMAGE OF GOD, HAVE THEIR INHERITANCE IN THE SPIRIT REALM WHICH IS LIGHT; TRUE ETERNAL RICHES CANNOT BE HANDLED BY PHYSICAL HANDS THEY ARE SPIRITUAL. This does not mean I can not have a car or a villa or put on good cloths and all of that, what we are simply saying is that we should strive to simply keep our spiritual states and not being lured away by covetousness. Our occupation as sons of light is in the knowledge of God and nothing more. The wisdom of this world causes men to exchange their invisible, immortal glory which is in the likeness of God (THE CHRIST IDENTITY WITHIN) to that of earthly crawling beastly beings in their attempt to gain the world. Man always ends up a fool, because as long as we seek to gather away from the eternal everlasting spiritual mountains of God they will only reap destruction and nothing more.

Romans 1:18-23 For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who hold the truth in unrighteousness; 19 Because that which may be known of God is manifest in them; for God hath shewed it unto them. 20 For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead; so that they are without excuse: 21 Because that, when they knew God, they glorified him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened. 22 Professing themselves to be wise, they became fools, 23 And changed the glory of the uncorruptible God into an image made like to corruptible man, and to birds, and fourfooted beasts, and creeping things.

The wisdom of God is that wisdom from above which causes men to retain their true spiritual state in light the same way we were generated in God. We are not carnal flesh and blood beings we are heaven beings of the same immortal, invisible and glorious substance as Christ. The work that Jesus set out to do is to unveil our true immortal and glorious nature and bring it out into view. He came to give us understanding of our true inheritance in light so that we can once more enjoy the unlimited resources of God's spiritual realm.

2Timothy 1:10 But is now made manifest by the appearing of our Saviour Jesus Christ, who hath abolished death, and hath brought life and immortality to light through the gospel:

If we walk in our true identities death seizes and the wrath of God seizes we begin to partake of the favor of Him that dwells in the bush. Moses prophesied concerning this eternal blessing while blessing the Tribe of Joseph.

Deuteronomy 33:13-16 And of Joseph he said, Blessed of the LORD be his land, for the precious things of heaven, for the dew, and for the deep that coucheth beneath, 14 And for the precious fruits brought forth by the sun, and for the precious things put forth by the moon, 15 And for the chief things of the ancient mountains, and for the precious things of the lasting hills, 16 And for the precious things of the earth and fulness thereof, and for the good will of him that dwelt in the bush: let the blessing come upon the head of Joseph, and upon the top of the head of him that was separated from his brethren.

The one that dwelt in the bush is the one that had appeared to Moses about forty years earlier on. We will soon discover that Moses had the same identical experience in terms of separation from His brethren and eventually becoming a life give and deliverer unto them. Joseph is a shadow of the Brethren who go ahead of the other brethren in this world to reign in the kingdom of light. Even though hated misunderstood and called a dreamer by His brethren, He eventually became a life giver to the same ones who rejected Him. All who will reign in light will see an inevitable border line drawn between them and those who walk on the other side in darkness. These are the ones who will taste of the exceeding kindness and love of the living God; they will walk before God with complete blamelessness. All the elements both seen and unseen will serve these ones, they will be completely illuminated with the knowledge of the living God. Those precious things of the ancient mountains are actually the loving thoughts of God that will flow like a stream to within those that find this place of life.

MOSES A SHADOW OF THE MANIFESTED CHRIST

The Story of Moses very well known; to this day no man has done more powerful works than Moses on the natural plane. Moses was born of Hebrew parents but ended up growing in the Luxurious High places of Egyptian royalty. Moses stands as a spiritual example of those who will rediscover themselves before that eternal flame of the Lord. These are the one who will awake unto their true substance of light. This Pattern will be repeated over and over again from generation to generation. It is likened to the revelation of the son of man from heaven with great power and glory. From the Moment Moses saw the burning bush, he seized to live unto Himself but he live unto the eternal one from that moment onwards. It is that eternal one in the midst of the burning bush that did all the works and brought about deliverance for the people of God.

A resurrected Moses appeared after forty Years in the wilderness, His serpent like nature from the dust below was lifted up to become a rod of authority in the hand of the Lord to shepherd the nations unto glory and to smite the rebellious. His incurable sinful nature of death signified by the leprous hands was completely healed. He now spoke a new tongue of the "I AM", a language of the eternal age of God. Moses is an example of those who are healed, those who rediscover their

true light identity in God; He is a Shadow of Christ. God confirmed to Moses that He raise up one like Him who will deliver his people from the bondages of the devil.

Act 7:37 This is that Moses, which said unto the children of Israel, A prophet shall the Lord your God raise up unto you of your brethren, like unto me; him shall ye hear.

That statement by God unto Moses was prophetic; prophecies that touch on God and His kingdom are continuous and never ending. When you see people particularly end time watchers talk of dates and times for prophesy to fulfill, just know that they are prophesying from the dust realm. The prophecies of God are continuous; the revelation of His kingdom is continuous; the manifestation of His sons is continuous, His coming is continuous. We should never limit the coming of the prophet to Jesus Christ after the flesh; Jesus has performed His part and is continuing on in those who rediscover themselves in Him. As many as get this revelation and believe will be given power to rule over all the Nations exactly the way Jesus ruled; they will become the sons of God the same way He is son of God.

Everybody wants to be in the number of the delivered and the deliverers, everyone seeks to appear with Christ in glory. People get excited when they hear they will become saviors of this world but we also have to pay the price. We have to seek that burning bush exactly the way Moses unconsciously sought it. All these things are in the bible for our edification and glorification, so that we are thoroughly prepared and furnished for good works unto the Lord.

CONTINUITY AND PERSEVERANCE

The first thing to do as Christians who seek to rediscover that eternal flame of God is to learn to walk after the spirit in relation to the Father. This means losing our lives in this realm of appearances to walk solely before the face of God. Walking in Egypt means walking before the face of Pharaoh or the god of this world, it is walking and living before the face of men and appearances. Walking before the face of men and appearances is falsehood and as long as we do this we will never find the burning bush. We have to begin by faith to walk before the Father with a single eye while doing the things that please Him.

That long forty years that Moses went through in the wilderness is likened to an attempt to walk in the spirit. Walking after the spirit means a denial of your self acquired image in this world and a putting on of the Christ nature by faith. There is no way we can retain the self image and be righteous before God, because that man of flesh and blood is complete enmity and opposition to God. We must by faith project our family members, friends and indeed all men in the body of Christ and recognize them thus. Recognizing men after the flesh is the thing that puts a stumbling block before men because they fail to recognize the true inner substance of these men is Christ. This is why the bible says we should not look at the nakedness of the Brethren.

As we try to walk in this realm, like Moses, we discover ourselves in a wilderness situation which is actually a state of unbelief, unfruitfulness and failure. The old nature at times gets in the way and may discourage us at times; the inability to manifest love at times leaves many in frustration. At time situations around us may not seem favorable, money problem, health problems etc. At times

we might feel spiritual dryness a wide sense of separation from God as a result of condemnation from within. At times loneliness may set in because those on the other side seem to look more. It is like being abandoned at times so that the temptation arises from within to return back to the old way.

We are admonished to persevere and continue on because the Lord will not abandon those who seek Him diligently and patiently. Moses had the opportunity to return to the palace in Egypt but He closed the way back to Egypt in His heart. Some of us tried to go back in the past and we saw nothing but misery, things never work anymore. Once you get a revelation of the truth you must search it out for your own peace and Joy. If anyone reading this message falls into this category of those who have fallen back, the set time has come to return back to the way to the burning Bush.

RELEASING THE DEEP RESOURCES OF TRUTH

Exodus 2:16-19 Now the priest of Midian had seven daughters: and they came and drew water, and filled the troughs to water their father's flock. 17 And the shepherds came and drove them away: but Moses stood up and helped them, and watered their flock. 18 And when they came to Reuel their father, he said, How is it that ye are come so soon to day? 19 And they said, An Egyptian delivered us out of the hand of the shepherds, and also drew water enough for us, and watered the flock.

From Exodus 2:16-19, Moses stood up against the Shepherds that blocked the well from the seven daughters of Median and therefore helped them to obtain water for their Father's flock. Those of us who have spiritual insight into the mind of God by the spirit of God can clearly see that God has hidden a nugget here for us to understand.

The Priest of Midian in this scenario is a type of God the Father, while the seven daughters represent the true perfect Church of God. Those Shepherd who were blocking the well are the principalities and powers of this Dark Age that block the way to the fountain of life. These principalities walk through religion and traditional beliefs of men. The principalities and powers hinder men from the truth and stand up against anything that is truth. Just confess that Christ has come in you and see their reaction; teach on the kingdom of God within and see what they will do to you.

The traditional doctrines of men and of religion are lies that only widen the gap between men and God and therefore causing them to groan in torment and fear of the unknown walking through ignorance. When the deep resources of truth are unleashed from the depths of God, it causes us to grow in awareness of our oneness and inseparability from the living God. We become aware of His loving kindness and our inheritance in light. Those who stand against the truth are only doing the same thing that was done to Jesus, which is crucifying Him again. That is why I feel sorry for these men when they stand up to resist the message of liberty and truth flowing from God's throne. Those who seek the burning bush will speak only truth and seek only truth, they will also become vessels of truth so that all who hear them and discern will be saved.

Like Jesus once said those who reach out to give water unto His little ones of the kingdom will not lose their reward. This is a precious truth that we should hold on to. If we covert ourselves to serve the sheep of God by unleashing the truth of God to liberate them and to refresh there souls in the knowledge of God we will be granted a place in His kingdom of light.

Matthew 10:42 And whosoever shall give to drink unto one of these little ones a cup of cold water only in the name of a disciple, verily I say unto you, he shall in no wise lose his reward.

COMMUNION WITH THE FATHER

Exodus 2:20-21 And he said unto his daughters, And where is he? why is it that ye have left the man? call him, that he may eat bread. 21 And Moses was content to dwell with the man: and he gave Moses Zipporah his daughter.

Moses was invited in for to dine with Jethro the Father of the seven ladies whom Moses served. What the spirit is revealing here is a call to the Lord's Table for fellowship, and indeed our fellowship is with the Father and with the son. Even when we gather or go for conferences, the only fellowship that goes is the fellowship of Father and son, besides this, it is fellowshiping unto devils. Communion like I have always said is a spiritual feasting on the word. The word is simply that which proceeds from the mind of the father undiluted. The Lord gives us His seven fold spirit to know the heartbeat of God and live according to it. It is either we operate with the spirit of the world (or man) or the spirit of the living God. If we commune in darkness by receiving the deep things of this world we will crawl on dust and feed on dust like the serpent. If on the other hand we fellowship continuously in the light by receiving and perceiving all things after the mind of God we will soar upon the wings of heaven in glory.

Fellowshipping in light keeps us in remembrance of God and our 100% oneness with Him in Love. The moment we cease to do this we give occasion for darkness to crawl in, causing a forgetting or loss of awareness of that oneness with God. Remember, that was what ensnared Adam and Eve, for a moment they fellowshiped with that lower spirit out of the dust realm and therefore suffered loss of their oneness with God in light.

While we fellowship with God in the secrecy of our hearts, He brings to remembrance our love and inseparability with God, we discover ourselves in that bush burning with that eternal life of God. In this union the oneness is so much that we become Him, this is when the two become one, an awareness that causes all things to be possible [Mark 10:27]. Remember **WITH GOD** all things are possible, but the problem is that men have lost knowledge of this sacred union to a false identity acquired in this age, therefore nothing works for them. Communion with the Lord on the Eternal table of God brings healing. If we seek that healing, we should all hook up for this fellowship on the Father's table. Jesus once said blessed is He who eats bread on the Lord's Table.

WATCHFULNESS

Exodus 3:2-6 2 And the angel of the LORD appeared unto him in a flame of fire out of the midst of a bush: and he looked, and, behold, the bush burned with fire, and the bush was not consumed. 3 And Moses said, I will now turn aside, and see this great sight, why the bush is not burnt. Exo 3:4 And when the LORD saw that he turned aside to see, God called unto him out of the midst of the bush, and said, Moses, Moses. And he said, Here am I. 5 And he said, Draw not nigh hither: put off thy shoes from off thy feet, for the place whereon thou standest is holy ground. 6 Moreover he said, I am the God of thy father, the God of Abraham, the God of Isaac, and the God of Jacob. And Moses hid his face; for he was afraid to look upon God.

Watchfulness is another quality that should never leave the ones seeking their lost glory in Christ. Watchfulness is alertness in the spirit while waiting on the Lord. That is why Jesus says watch and prays. If we are not spiritually watchful, it gives the powers of darkness the opportunity to cause to slip and loss your focus on things of the kingdom. We should never allow situations around us, whether family, social or any other manifestation to lure us away for one moment from the thoughts pattern and wisdom of God. Pray that you do not fall into that temptation that fell on Adam and Eve causing them to suffer loss of their reward. Watch that men in all their manifestations do not rob you of your crown of life, but hold on to the truth and vision of the glory to be revealed.

Alertness and watchfulness caused Moses to see that silent burning bush. In the same way he turn aside we all should turn aside from the things that easily distract us and weigh us down. We should by faith turn aside from the activities of this world to behold the burning bush. The hustling and bustling that we see in this world are nothing activities of the dead. If we don not turn aside how can we possibly see God.

STANDING IN OUR LOT BEFORE THE BURNING BUSH

In due season we will stand in our lot at the end of days like was promised Daniel. The end of days or the end of the world is simply the end of darkness and ignorance. The end is not a last twenty four hours like end time preachers preach. The end comes upon us as we connect back to that eternal presence that is before all. In our ascent the world is abolished and we discover ourselves back in God's kingdom. Every son has His lot on that holy ground where we can be integrated and behold that burning bush forever.

Jesus once prayed, that the ones who have followed him and left all by faith be granted the grace to behold that eternal flame. He prayed that they may be granted entrance into His presence where **HE IS** to behold his glory.

John 17:24 Father, I will that they also, whom thou hast given me, be with me where I am; that they may behold my glory, which thou hast given me: for thou lovedst me before the foundation of the world.

Let us arise by faith and stand upon our lot in God's presence in light this very moment. Let us enter into everlasting peace, favor and love. Lets us rediscover our true flaming nature and therefore integrate back to our source in God. Blessed are those who know the shout of joy, these are the ones who stand before the flaming bush beholding and searching out the love of God.

May God keep you in His Love
Trevor Eghagha
