Revelations 3:20 Behold, I stand at the door, and knock: if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he with me.

SANTA CLAUS IN RELATION TO GOD'S KINGDOM

Mortal man has no ability to truly create or invent anything, unconsciously what men do in reality is to pull out of the mind of God and translate it for their use in this world. In other words nothing is new under the sun, men simply bring forth out of that which is already there in God's eternal realm; they tap from the mind of God and translate it for their glorification and preservation. Like the prodigal son they take of the Father's goods and try to live a life far away and independent of God only to come an impoverished troubled state. The inventions of scientists are in reality concepts tapped from the mind of God and

used in man's attempt to glorify and immortalize and esteem the creature (THE FLESH) more than the creator (THE CHRIST WITHIN).

Just meditate on the works of men, all they try to do is improve the and immortalize themselves by stealing from the mind of God and applying it for their selfish purposes. Their inward foolish and vain thought of men is that their mortal houses (flesh) and systems are forever so they channel all the resources of God in trying to improve themselves.

Psalms 49:11 Their inward thought is, that their houses shall continue for ever, and their dwelling places to all generations; they call their lands after their own names.

In the process man neglects the knowledge of the only true and living God of whom we all are a part and parcel of. The heart of man is darkened because His heart is set on the things of mortal man and therefore losses a knowledge of the true God. So the world we live in is in gross darkness, receiving from God and translating the knowledge into a lie. Does this mean I should not use a car invented by men? Of course not. Does it mean I should not partake of the inventions that has made life easier for men? Of course not. As we awaken daily to our true spiritual state in Christ we become more and more aware that we are not of this material world EVEN THOUGH WE ARE IN THIS MATERIAL WORLD. So while we are in this material world we still partake of the goods of this world. In reality my true form does not need to eat or even use a car but that does not mean I should not eat or drive a car while I am still in the earthen tabernacle. Jesus rode on donkeys and at times needed sleep and food even though we know that today he does not need any of that, having attained back to the place of hundred percent glorification in the Father.

In a letter to the Timothy a spiritual son of Paul well skilled in the art of the spiritual heavenly tongue, He was told to drink a little wine not just pure water for the stomach's sake and it's various infirmities [**1Timothy 5:23**]. Now Theologians and many men over the ages have tried to explain this in relation to earthly alcoholic wine but they are mistaken. Foods and drinks are for the stomach, God will destroy them both, let us understand that Paul was simply saying that having found His true

spiritual form and origin which is pure spirit without limitations whatsoever through the gospel that was preached to Him, He still had to indulge or utilize the things of this material world because he still possessed a flesh body with all its weakness and imperfections. In other words Paul was saying don't be over spiritual; we are not of this material world even though we might be in this material world.

1Corinthians 6:12-14 All things are lawful unto me, but all things are not expedient: all things are lawful for me, but I will not be brought under the power of any. 13 Meats for the belly, and the belly for meats: but God shall destroy both it and them.

The unveiling of the true nature of God within us, causes us to arise above the various attachments that we have to this material world. The glutton on awakening to His true now uses food for the stomach to keep the physical body going, no more in bondage to His former uncontrollable desires. As the truth of God unfolds we now begin to see all things in the light of God's mind no more lured away by the carnal thinking of men which plunge men into bondage to corruption and eventual destruction. All that we have heard in the ignorance of our past human lives now begins to be heard on the house tops where the light from the Sun reveals the hidden things of God. As we hear the mind of God we are admonished to confess these things before all to see and to walk in this revelation light.

Matthew 10:26-27 Fear them not therefore: for there is nothing covered, that shall not be revealed; and hid, that shall not be known. 27 What I tell you in darkness, that speak ye in light: and what ye hear in the ear, that preach ye upon the housetops.

We are understanding the thoughts of God daily because of His spirit within us, so that all that was hidden from our site in our descent into the lower realms of mortality is restored back to us. The revealed things of God sets us free from the bondages to corruption and all the things

that has plunged us into a spiritually weakened state of unbelief, sorrow and pain. We should speak these truths to each other and continuously replay them in our minds; by the words of our mouth we are either justified unto eternal life or condemned to the grave.

The concept of Santa Claus is a concept that has been for many years, and many have pinned it to diverse sources. Santa Claus has been linked to Saint Nicolas, various ancient myth gods, Dutch immigrants to America, coca cola and many others. I do not intend to write or reproduce what men feel about Santa Claus but I want to see it in the light of God's kingdom. Man's concept of Santa Claus or Father Christmas are concepts that men simply tap from the mind of God and use it for their purpose, because their application of the concepts has no eternal or real value. Anything not rooted in the Father and the son is a lie; we should always remember this.

As we hear these truths does it mean I should not interact with neighbors or friends during Christmas? Of course not. Remember we have been sent out as blameless doves and innocent lambs into this world in the midst of wolves even though we are not of this world. We should learn to apply wisdom in our approach to the things that pertain to truth. We are not sent to condemn wine babblers but to manifest the love of God to them; wisely though, so that we do not fall into the snare of the devil. The world and all the systems of the world are actually a culmination of a bunch of wine babblers drunk with the wine of deceit, causing men to stagger and view nothing but vain idols. So as we understand this truths let us bear in mind that there no use trying to single out any system or concept for condemnation because in reality the whole systems of men are defiled and destined for destruction in our minds.

Eternally speaking Santa Claus is a snap shot of the Heavenly Father descending to shower men with gifts. Santa Claus is noted to ride through the sky on a flying chariot, He eventually descends through openings in Houses, most likely Chimneys to drop gifts for Children. As long as we have an opening in our Hearts to receive, we will definitely receive of His free gift of the Father unto eternal life. Like a thief in the night He comes knocking and looking of opening in the hearts of men so that He can administer His healing cure by presenting His gift unto

us. His coming is always secretive and unknown to the world, like a thief he visits the sons of men to lavish His gifts of love upon them.

The Lord like Santa Claus rides on heavenly Chariots which appear as clouds or flames of fire. God throughout the scriptures reveals Himself as one riding on chariots or in the midst of chariots. The Chariots of Fire or clouds of glory are actually the carriages of the Lord. The scenery of thick clouds and fire upon mount Sinai when God appeared before the Moses and the Israelites was actually a pointer to the heavenly Chariots of God. When the eyes of the servant of Elijah was opened to see chariots of fire all around Himself and His master, He was simply seeing the Lord in His glory surrounding them.

Psalms 68:17-18 The chariots of God are twenty thousand, even thousands of angels: the Lord is among them, as in Sinai, in the holy place. 18 Thou hast ascended on high, thou hast led captivity captive: thou hast received gifts for men; yea, for the rebellious also, that the LORD God might dwell among them.

Psalms 104:3 Who layeth the beams of his chambers in the waters: who maketh the clouds his chariot: who walketh upon the wings of the wind:

In the book of Ezekiel Chapter 1, when Ezekiel had a close up look at the Lord in a vision, He saw the glory of God unfolding like a bright cloud and fire; He then saw the Lord driven by a Chariot with four different animals. A deeper study on the chariots of God to released shortly shows that in actuality God uses the chariots of clouds and fire to describe His glorious body which is His invisible, immortal spiritual body. The body of Christ is the vehicle and glory of God, the two (God and the body of Christ) are completely indivisible. The body of Christ is actually a body that has members in the heavens and members on the earth all fused together in one.

When God descends from heaven and reveals himself through His body of messengers He comes to gives gifts unto men. His first true revelation of Himself was through the Chariot called Jesus, He descended in this chariot to give His son (The CHRIST) so that we can

all live once more in His glory. This is the eternal work of God; from His clouds of glory He showers gifts upon the all men both good and evil.

Jesus was that cloud chariot which God sent to the world to shower with His word of life so all men perishing in the Adam like ignorance can get back into His realm of infinite blessings. While speaking in the days of His ministry, Jesus indirectly told them He had come down as a cloud bless them even though in their ignorance they couldn't recognize Him.

Luke 12:54-56 And he said also to the people, When ye see a cloud rise out of the west, straightway ye say, There cometh a shower; and so it is. 55 And when ye see the south wind blow, ye say, There will be heat; and it cometh to pass. 56 Ye hypocrites, ye can discern the face of the sky and of the earth; but how is it that ye do not discern this time?

The father like Santa Claus or Father Christmas has descended to give gifts unto men particularly to those who humble themselves like children to receive from Him. What is this gift to humanity? His gift is His spirit which is His body. This is the Promise of the Father unto mankind because accepting the gift is the only thing that can lift man out of the jaws of death into the glorious inheritance of the saints in God. Just before His ascension Jesus told the Disciples to wait for the gift and promise of the Father at Jerusalem. In obedience the disciples waited for this precious gift and eventually received gift of God which came gushing down with the sound of wind and tongues of fire. In reality it was the Lord descending in His chariots of fire to live and fellowship with men by His spirit. From that moment the disciples were joined to the Lord in one spirit and were transformed into new creatures.

The gift of God unto men which is the spirit of Christ God, revives us from the realm of death into the eternal joy of God. As we receive this gift and open it, we are restored back into the place of complete dominion and peace where nothing can hurt us anymore. The spirit leads us back into a realm where we are in harmony with the whole of God's creation, a realm where every thing works out for our good. All power is restored to us in this realm so that anything we ask the Father

comes to pass because we are one with Him. It is a gift that can not be defined with words of men because it catapults us into a place where we discover we are Him.

2Corinthians 9:15 Thanks be unto God for his unspeakable gift.

Jesus once met a Samaritan woman at a well and told Her that if she had an understanding of the marvelous gift of God she will ask for that gift; a gift from the deep springs of God which well up to eternal life where she will never thirst again. Never thirst again means transcending the realm of pain and lack into a realm of abundance. In actuality man was generated in this realm but have slipped down into the pit of death by the darkening of his mind through the wisdom of this age which I explained earlier is that which denies the truth. The gift of God is our restoration back into God's realm of abundant rich life and liberty in His presence. This gift is all we will ever need throughout all eternity.

As we receive the packages of God's love we are admonished to open them and to use them. No one receives a gift and lives it all packed up, but they open up the packages and use the gifts. Brethren let us view the gift of God as the talents Jesus spoke about in a parable [**MATTHEW 25:14-30**]. The wise and profitable servants utilized their talents by laboring with it and therefore multiplying it to the delight of their master. The unprofitable or foolish servant whom was termed slothful and wicked hid His talent under the ground and never put it to use. The end result was exaltation and favor for the faithful servants and damnation and dishonor for the wicked servant. What God was simply communicating to us through parable was the need to utilize the gift of the spirit within us by stirring it up and continuously growing in it; our exercising ourselves and increasing in the things of the spirit opens our spiritual eyes of understanding and transports us continuously into the realm of perfect light and Joy. The wicked man represents those who hear the word and do not increase in the things of the spirit but sleep on in the ignorance and darkness of this world; they find themselves in greater bondage and sorrows because they refuse to allow the truth which is the Christ within to come forth to the glory of God the Father. The man who hides His talent underneath the

ground denies the knowledge of the true glorious immortal man within (Christ within) and clings on to the lie which (the man of the flesh) as a result he is cut off from the life of God associated with the inner man created in the glorious image of God.

In the same way men of this world exchange gifts among themselves in a show of love we are also admonished to share this gift with each other and indeed with all men with all humility and love. In the past I received this gift in sharing from men like HARLO WHITE, TONY HARTOG and some other brethren dispersed all over the world. Once our obedience is complete, we are called to present ourselves as gifts by laying down our lives on the heavenly altar of God so that men can partake of this love and be saved.

1Peter 4:10-11 As every man hath received the gift, even so minister the same one to another, as good stewards of the manifold grace of God. 11 If any man speak, let him speak as the oracles of God; if any man minister, let him do it as of the ability which God giveth: that God in all things may be glorified through Jesus Christ, to whom be praise and dominion for ever and ever. Amen.

In reality as the body of Christ we are the gift the Lord has given to the world let us ever be conscious of this fact and become living oracles of the living God, always speaking the truth without the hypocrisy of men so that men may be illuminated with His life and love.

Let us praise God because He has decorated us with His multi-manifold wisdom. Like the Christmas tree we have been decorated with the many colors of His spirit and with all manner of precious stones. We are also capped with a star indicating that like the stars we will ever show forth His glory because we are His glory. Having received His gift we have been awoken from the dust and do shine forth eternally, declaring His love and saving grace from generation to generation **[DANIEL 12:2-3]**.

God bless you brethren and meditate continuously on the gift of God unto love and the glory that is to be revealed on and through us.

Trevor Eghagha
